### Guinea Pig Feed

#### Supplementary feed for guinea pigs

Our Uncle Pet Premium Guinea Pig Feed is a balanced supplementary feed, which contains all the natural goodness of high-quality cereals, herbs, fruit and vegetables, helping to ensure that your guinea pig is receiving a species-appropriate diet. The dried peppers, carrots and apple pieces not only add flavour but also provide important nutrients, as well as vitamin C for a strong immune system. Thanks to the addition of our Eggersmann Micro-Herbs, a fermented plant extract made from a variety of wild, medicinal and aromatic herbs, this feed is extremely easy to digest, and therefore ideal for guinea pigs with digestive problems.
