

Körnerpick Flour Mix Oregano

Complete Feed

Complete feed for laying hens

Our Flour Mix Oregano is a high-quality, GMO-free complete feed that provides your chicken with all the essential vitamins and minerals they need. The ingredients used in this meal are very gently and coarsely milled to encourage optimum feed intake. It contains soybean meal, which will provide your chicken with natural protein. The addition of oregano gives this appetising mix its distinctive flavour and will also help to keep your chicken healthy.

Our Flour Mix Oregano is also suitable for feeding poultry such as geese and ducks.

The benefits at a glance:

- GMO-free chicken feed
- laying meal with the natural power of oregano
- extra gently & coarsely ground
- also suitable for poultry like geese & ducks

Barošanas rekomendācija:

Feeding recommendation:

Our Flour Mix Oregano is also suitable for feeding poultry such as geese and ducks.

during the laying period:

per chicken/duck: approx. 120 g per day

per goose: approx. 350 g per day

Differences in breed and weight have to be considered.

Please keep in mind to offer your poultry always enough fresh drinking water.

Extra Tip: We recommend adding around 10% grain feed as Körnerpick Grain Feed Premium or Körnerpick Grain Feed Basic, to sufficiently satisfy your chickens' natural pecking instinct.
